## **Certification of Compliance with California's Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986**

Accumetrics Limited products contain no substances listed in California's Office of Environmental Health Hazard Assessment document, *Chemicals Known To The State To Cause Cancer Or Reproductive Toxicity*, last updated January 27, 2025, except for metallic nickel, CAS 7440-02-0.

Metallic nickel is a necessary constituent of some of Accumetrics Limited's tubular stainless steel and nickel alloy products. On August 31, 2018, California made changes to Proposition 65 listing metallic nickel as a substance known by the state to cause cancer.

Fred Even

A handwritten signature in black ink that reads "Fred Even".
